

Poliform

Poliform night collection

Variety is the word to define the collection: thirteen different proposals, thirteen ideas for the night area; functionality, design and emotions are joined together in beds with a strong personality. To complete the choice there are "dedicated" containers, coherent in style, along with one multipurpose serie, which can be freely combined. Conceived to really satisfy any resting requirements, this system includes also mattresses, pillow and complements.

Abbinabili Containers, design CR&S Poliform, 1991
